

# COVID-19 measures in place at AXO Student Living

The safety of our residents is paramount & we have introduced the following measures to keep our residents as safe as possible.

## Increased cleaning in communal areas

High touchpoints and communal areas are being cleaned on a more regular basis.

## Track & Trace

To help prevent the spread of COVID-19, we encourage all visitors to use the NHS Track & Trace app.

## Hand sanitiser stations installed

Hand sanitiser is readily available throughout our buildings.

## Face masks in communal areas

We encourage all residents and visitors to wear face coverings. Our staff members are also wearing PPE, and have perspex screens at reception, helping to keep everyone as safe as possible.

## Flexible cancellation policy

If COVID-19 prevents you from moving in, our [flexible cancellation policy](#) has you covered.
